The special light given to John which was expressed in the seven thunders was a delineation of events which would transpire under the first and second angels' messages. It was not best for the people to know these things, for their faith must necessarily be tested. In the order of God most wonderful and advanced truths would be proclaimed. The first and second angels' messages were to be proclaimed, but no further light was to be revealed before these messages had done their specific work. This is represented by the angel standing with one foot on the sea, proclaiming with a most solemn oath that time should be no longer. 7BC 971.6

Rev 10:7 But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

- 7th angel. Our understanding (correct), if you go back to chapter 9 vs 13

Rev 9:13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,

- Seems to be a connection between the two angels. Series of 7 angels (tracking). Which is the 7th trumpet or the 7th trumpet angel, which take you back to Rev 8. That's whom that angel is.
- This is evidence that the original intent of Rev 10 is not Millerite.
- William Foy he says the 7th angel doesn't begin until 1844.

- Heber: relation between Dn 8 and Rev 10. One is beginning something and the other

ending something.

- Dn 12:4-9 try to connect it with Rev 10
