23. The Movement - (24/01/19).

In every part of the land, light was given upon the second angel's message, and the cry melted the hearts of thousands. It went from city to city, and from village to village, until the waiting people of God were fully aroused. In many churches the message was not permitted to be given, and a large company who had the living testimony left these fallen churches. A mighty work was accomplished by the midnight cry. The message was heart-searching, leading the believers to seek a living experience for themselves. **They knew that they could not lean upon one another.** EW 238.3

En todas partes del país fué proyectada luz sobre el mensaje del segundo ángel y el anunció enterneció el corazón de millares de personas. Propagóse de villa en villa y de ciudad en ciudad, hasta despertar por completo al expectante pueblo de Dios. En muchas iglesias no fué permitido dar el mensaje, y gran número de fieles que tenían el viviente testimonio abandonaron aquellas caídas iglesias. El pregón de media noche efectuaba una potente obra. El mensaje escudriñaba los corazones, e inducía a los creyentes a buscar por sí mismos una vívida experiencia. Comprendían que no podían apoyarse unos en otros. PE 238.2

- EGW says in JToT every earthly support will be cut off. But she says here that that experience is also before.
- 'contrary winds' [Tess] and you can't lean upon one another. Here seems to indicate there's just one wind but another story that there's contrary winds.
- It was because of the contrary winds that they had to pass through the period of the MC.
