

Brazil School of the Prophets: January-February 2019

33. Compare and Contrast - (04-02-19)

- Rev 13:10, EGW quote on the lamb like beast.
- Tess is creating 2 lines: first ship from 1989 to SL and the other from also the ToE, but from 1798 to the SL. She marked that this is the story of the USA and the SDA (in both cases). So my point is this is Rev 13.

Rev 13:1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

- We have a beast in 3 chapter 12, 13, 17. It's the same animal, it's got 7 heads and 10 heads. If you proof text it using Miller's rule, you make it the same. Then you'd compare and contrast, because they'd be teaching something different.
- Where does Tess story lead you? To Rome, because he wants to destroy Rome. Joshua isn't going to have a lunch there in Jericho. It's
- Everything else, the towns he goes to it's accidental, not like in the other missionary trips
- Rev 13, out of 18 verse 12 or 13 of them have nothing to do with a SL.
- Watch

Rev 13:11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

- Rev 13 just like Acts 27, you need to see the story that leads you to the goal (SL or Rome).
- So it's a journey about the lamb's horns being broken from 1798 to the SL.
- Why can't you have protestantism after the SL?
- They will pretend to be separate to poperism but yet they're in alliance.
- Because the horn of protestantism has to have been dealt with.
- Republicanism: separation of the 3 branches: king, princes and judges.
- Democracy: majority rules.
- 2016: Hillary won.
- He explained the electoral college system.
- Republicanism needs to be taken before the SL.
- This lamb described as a false prophet in chapter 16:13
- 13:11 = 16:13
- False prophet is going to deceive you.

Rev 13:13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

- O.T story allusion: fight between Elijah and prophets of Baal. In this story the beast, false prophet brings the fire. They're flipped around.
